About the Sponsorship...

Here is a networking program which enables us to work together to...

- Provide **extra education** to first generation learners.
- **Reduce drop out rates** of students from mainstream schools

What Is Remedial Education...

- It aims at remedying the gap that exists between what students of grade 3 to grade 12 study at school and what they really grasp.
- It aims to **reduce dropout rate from schools, increase the retention, provide tutorial assistance and extracurricular activities.**
- Guidance is provided to **strengthen the foundation** in Mathematics, Science, English, Social Science and Language. For adolescents, stress is laid on imparting life skills to perform better.

How is your Sponsorship Used...

Your support of **Rs. 500 per month per child or Rs 6000 per year per child** will provide remedial and development support such as...

Library Facilities, Exposure Trips, Basic Health Care, Nutrition, Computer Literacy, English Learning Lessons, Sports, Music Classes & etc

This support will ensure **all round development of the child** enabling them to compete with the global sphere.
