

*Celebrating twenty years of
community service...*

Celebrating Life Across Geographies. Across Generations.

We take joy in the miracle of life. With over four decades of partnering life and engendering hope, we are one of the world's top 100 pharmaceutical companies. We believe that access to quality healthcare is a right, not a privilege. Living by this credo, we innovate, not for innovation's sake, but to ensure the availability of world class, quality medicines at affordable prices. Already amongst the world's top 10 generic pharmaceutical companies, we are committed to work towards a healthier, happier world. Come, partner with us for a better tomorrow.

Ranbaxy Laboratories Limited, headquartered in India, is an integrated, research based, international pharmaceutical company producing a wide range of quality, affordable generic medicines, with presence in anti-infective, antiretroviral, cardiovascular, musculo-skeletal, dermatological, gastrointestinal, central nervous system, respiratory, genito-urinary and nutritional segments.

- Global sales of over US\$ 1 billion
- International revenues contribute over 75% to sales
- Robust operations in USA, Europe & BRICS (Brazil, Russia, India, China, South Africa) markets
- R&D spend of over 7% of global sales
- Over 675 patents filed globally
- — 110 ANDA approvals from US FDA, with — 50 approvals pending
- Research focus on urology; anti-infective, respiratory, anti-inflammatory and metabolic disorders segments
- Presence in 23 of the Top 25 pharma markets of the world
- Ground operations in 49 countries
- Manufacturing facilities spread across 8 nations conforming to GMP standards
